Re: Carefree Fire Station Roof Repair

Dear Mr. Rich:

On behalf of the mayor and the Town of Carefree I would like to thank you for your professionalism and persistence in chasing down the nuisance roof leak that only occurred during heavy rainfalls.

I would also like to thank your field superintendent, Eric, his crew and your project manager, Steve Ramarz for going the extra mile.

In my 38 years of construction, it is always a pleasure to work with a first class company.

Sincerely,

Glenn R. Miller
